Committee on Nominations

As we have sought to fill the vacancies on each committee, there has been a conscious effort to bring together some of our newer members with persons who have served in our church in various capacities over a number of years. It is our belief that the mix of traditions with the new ideas of new members is the best way to meet the many needs of the church.

We thank those who have agreed to serve in the coming year, and it is with great hope and anticipation that we celebrate the commitment each has made and the decision they each bring to the task ahead. Thank you all for your ministry in, for, and with the United Methodist Church in Branchville.

Respectfully submitted,

Nancy J. Robinson
Chairperson, Committee on Nominations

Recommendations from the Committee on Nominations

1. That the slate of officers and committee members as listed on the preceding Two pages be elected for the coming year. These persons listed with an asterisk (*) by their names are being elected this year; others are those continuing in the positions.
